FINANCING OVERVIEW

The Michigan Good Food Fund is a \$30 million public-private partnership loan fund that provides financing and business assistance to good food enterprises working to increase access to affordable, healthy food in low-income and underserved communities in Michigan. This includes the range of businesses that grow, process, distribute, and sell healthy food that reaches those who need it most.

THE FUND IS A DIFFERENT KIND OF LENDER.

- We understand good food enterprises and bring a mission-driven approach to finance projects often overlooked by traditional sources.
- We provide flexible, patient capital and will work with you to develop a funding solution that meets your needs.
- We bolster lending with business assistance.

WHO'S ELIGIBLE?

We aim to support mission-driven enterprises working to increase access to healthy food for those who need it most in our state. This includes the range of businesses that grow, process, distribute, and sell healthy food that reaches low-income and underserved communities in Michigan.

Enterprise Eligibility

Want to know if your enterprise is a good fit? Read on for general eligibility criteria for good food enterprises looking to grow and expand:

- Increasing access to affordable, healthy food in low-income and underserved communities in Michigan. Preference given to enterprises which are also advancing racial and social equity, job creation, local sourcing, or environmental stewardship.
- Incorporated in the U.S.
- Two years of operating history. *We may consider start-up enterprises when the operator has industry experience or when the start-up budget includes a contribution from the owner.*
- Expected annual revenue of \$50,000 for loan requests less than \$250,000.
- Annual revenue of \$750,000 plus for loan requests of more than \$250,000.
- Profitable or can demonstrate a path to profitability within 12 months.
- Loan need from \$2,500 to \$6 Million.
- Collateral in the form of business and/or personal assets, corporate and/or personal guarantees.
- Strong, committed management team.
- Able to provide financial projections for two years including income statements, balance sheets, and cash flow statements.

Enterprise qualifications are reviewed based on mission alignment, management strength, business model, and growth potential. Financing is offered as a stand-alone loan ranging from \$2,500 to \$6 million or as part of a larger financing package.
